Headteacher Mrs K Kerry

Dear Families

I would like to give you some further information regarding your child returning to school in September.

### **School Starts for Years, 8, 9, 10 and 11, 12 and 13 on Monday 6th September at 8.30am**

Attached to this letter is information for September. There are updates to some measures already in place, and some measures have been removed. We are relying on these being followed so that we may provide the best education possible while keeping safety our number one priority. The information has changed since last term so please take your time to read the information carefully and discuss this with your child.

The government have given guidance to all schools that each student where there is consent should have 2 lateral flow device tests (LFD) when returning in September. We have been given some flexibility in how we conduct these tests

The following programme of testing for your child will be put in place at the Manor Sports and Recreation Centre.

So that we can accommodate all students there is a programme of testing and your child will be tested in tutor group order and more details of the process and the timing for your child will be sent to you in the next few days.

If a positive test is received you will be informed and DfE guidelines will be followed.

The school will conduct 2 sessions of lateral flow testing in total and then parents or carers will be expected to test they child at home. Home testing kits will be allocated after the second test as per government guidelines.
