Results will come through to parents later that day through the NHS App.

Should there be a positive case the parent of the child with the positive result will also be contacted by the school and the DfE guidelines will be followed. Please ensure that your forms have been returned before 31st August so we have your contact details.

Please can I take this opportunity to remind you that if not already done so to complete the COVID Testing Consent Form on this link [COVID Testing Consent Form](#) if you require a hard copy posting out then please contact the school either by email or the gateway, whether you give consent for your child to be tested, or even if you do not give consent.

We will not be able to accept last minute telephone calls to give consent. This should be done in advance using the electronic system we have set up for the purposes of planning, correct staffing and formally agreeing to the tests and our procedures.

Thank you for your ongoing support and look forward to your child starting with us.

Yours faithfully
