Dear Families

In response to the need for the remote education plan to be enacted over this Wednesday and Thursday your child will receive 4 hours of online live lessons on Wednesday and Thursday via the Teams system. All students have been given refresher training on how to access Teams at home and will have their log on details. Guidance can also be found at <https://www.manor.ttct.co.uk/curriculum/remote-learning/>

If your child is struggling to log on please email [techs@manor.ttct.co.uk](mailto:techs@manor.ttct.co.uk).
