Dear Family

**Easter Year 11 Intervention Sessions**

I would like to take this opportunity to now provide you with a clear guide to the Year 11 intervention sessions taking place over the Easter break. All Year 11 students will be welcome and their staff members will be able to advise them with rooms will be used to deliver the sessions in and what learning materials they may need to bring to the sessions.

Easter Intervention Time Table 2022					
Date		Priority	1st	2nd	3rd

As I suggested earlier, external research shows that students who attend extra sessions go on to achieve higher results in their exams which helps them to gain access to the post 16 education courses and follow their chosen career path in the future. We appreciate your support in ensuring that your child attends all of the sessions on offer to them as we know you like us want the best for your child.

In the meantime can I ask you for your continued support in ensuring that your child attends school every day and all the intervention sessions they are directed to attend, as this act alone will make a significant difference to your child's outcomes in their summer exams.

Yours sincerely

R Gladwin  
Deputy Headteacher
