

How to be involved in our careers programme

MANOR
ACADEMY

Parents:

Ensure you are aware of your child's aspirations and support and encourage this. If you have any connections that may be helpful to the school, especially guest speakers, please get in touch. Do explore career options with your child, using the Unifrog platform.

Employers:

If you want to host an event at our school, please contact us to arrange. We are very interested in guest speakers and improving our pupils' knowledge of specialised careers. Please directly email Mr Cooper, Martin.Cooper@manor.ttct.co.uk and check our website for activities you can be involved in.

Post 16/Further/ Higher Education:

We would be happy to host visiting speakers and events. Please contact us if you wish to speak with our pupils. As Manor pupils are entering Year 10/11, we are keen to engage with Post-16 providers to ensure pupils are aware of the full local offer. A number of events will be published as we enter the Post-16 applications process, which would potentially offer providers an opportunity to come into school to speak to students and/or their families. The events will be published on the website. It is essential that providers contact us early in the academic year to be involved in our planning. Access to students and/or families will be granted on the understanding that information and guidance offered by providers is related to technical courses and apprenticeship opportunities and high-quality provision. Providers will be expected to meet the academy's safeguarding requirements and details will be issued about the format for such evenings and the expectations around communication. Please look out for dates or contact Martin.Cooper@manor.ttct.co.uk to request to be added to the mailing list for events.

Volunteers:

If you would like to offer some time or expertise with our pupils, please contact us. We are always looking to broaden our enrichment offers for pupils and are keen to develop partnerships with people who support the aims and ambitions of the school. Please look out for dates or contact Martin.Cooper@manor.ttct.co.uk to request to be added to the mailing list for events.

Email:

The academy's lead on careers is Martin Cooper, Assistant Headteacher. He can be contacted via Martin.Cooper@manor.ttct.co.uk
